Levels of Coverage.

Tire and Wheel Coverage helps you avoid the costs associated with tire and wheel damage caused by road hazards, and offer the following benefits:

- Includes unlimited number of tires and/or wheels that can be replaced or repaired
- Covers associated costs, such as mounting and balancing
- Repair or replacement due to damage from common road hazards such as potholes, rocks, or road debris
 - Flat tires
- Run-flat coverage is also available

Our Cosmetic Wheel Repair Coverage option covers your cosmetic wheel (commonly called a “rim”) if it is damaged by debris that results in nicks, scrapes, and curb rash.

Roadside Assistance Coverage

With our roadside assistance and rental plans, we offer the following benefits:

Towing up to 25 miles

Battery jumpstart

Flat tire change

Fuel delivery (you are responsible for the fuel cost)

Locksmith service in the event you lose your key or are locked out of your vehicle

Our roadside option includes two separate benefits: rental car coverage and trip interruption coverage. If you experience any events covered by our ancillary program, we will reimburse you for a rental car.

Additionally, if you're stranded more than 100 miles from home, our trip interruption benefit provides \$75 per day for up to three days to cover food and lodging expenses, separate from the rental car coverage.
